## Down Payment Assistance Program Guidelines

- ✓ Homebuyers and their spouses/partners must attend FHR's Homebuyer Education Class
- ✓ Income used to determine eligibility for the assistance is household income. This income includes the income of all adults who will live in the newly acquired home
- ✓ The homebuyer is required to contribute at least \$1,000 (verified from their own funds) Funds used to pay appraisal, inspections, credit report and termite inspection may be used
- ✓ The homebuyers liquid assets may not exceed \$10,000 after contribution to their home purchase
- ✓ The homebuyer must have at least one month's mortgage payment as reserves at closing
- ✓ The homebuyer must not owe any amounts to the City of Tucson for Section 8 or Public Housing
- ✓ Housing ratio minimum 18% maximum 31% (up to 35% considered with compensating factors); Debt ratio maximum 45%
- ✓ The interest rate on the loan must reflect "par", market rate
- ✓ Loan fee limits may include 1% origination and up to \$1,000 in lender fees
- ✓ Lien on the assistance is forgivable in 5 years. If home purchased is sold or transferred during first 5 years, DPA principal amount loaned plus 2% simple interest is due
- ✓ No cash back can be received by the buyer at closing even if closing costs or deposits were estimated incorrectly
- ✓ The liens will remain in second position. Subordinations require approval by the lien holder (City or County)
- ✓ The assistance may have restrictions with using another layer of down payment assistance. Homebuyer Solutions program may not be combined.
- ✓ The home to be purchased must be owner-occupied or vacant
- ✓ The assisted homebuyer must occupy the home as their primary residence
- ✓ The purchase price must not be higher than the appraised value
- ✓ The borrower must arrange for a home inspection to be done by one of the inspection companies listed on the next page. The borrower is responsible for the cost of the inspection. The home to be purchased must meet standards identified by HUD and Local Code. Items identified by the inspector as not meeting these standards must be repaired prior to closing and provision of homebuyer assistance
- ✓ The purchase contract (or addendum) must contain the language **"Sale contingent upon City of Tucson/Pima County environmental clearance"**.
- ✓ Lenders are responsible for obtaining investor approval of the down payment assistance early on in the processing in order to prevent delay at closing
- ✓ Manufactured homes acceptable
- ✓ Other terms and conditions may apply

## HOME INSPECTION REQUIREMENTS

The homebuyer is required to obtain an inspection from the following list of home inspection companies. The homebuyer is responsible for the cost. These inspectors have been certified by the City/County to complete a Housing Quality Standard (HQS) inspection in addition to the regular home inspection. The HQS inspection is required by the funding source. The

property must “PASS” all criteria of the HQS inspection in order to be eligible for down payment assistance. A Re-inspection will be required if the property does not “PASS”
